JFK Johnson Rehabilitation Institute Hosts Health Fair at Menlo Park Mall

Edison, NJ – The JFK Johnson Rehabilitation Institute (JRI) will host a Community Health Fair at the Menlo Park Mall on October 9, 2006 from 10a.m. to 8p.m.

The health fair will provide community residents and shoppers an opportunity to talk with rehabilitation experts and professionals; hear about the latest rehabilitation programs available at JRI; obtain information on preventative health care measures; learn about devices for specific rehabilitation needs, and various devices in JRI's specialty clinics.

Programs and screenings feature are the Brain Injury Program; breast health and breast cancer education; postural screening; visual acuity screening; body fat analysis; women's therapy; prosthetics and orthotics display and devices; vocational testing; diabetes education and information; Low Vision Program; Driver Training Program; blood pressure screening; voice and memory screenings; hearing screening; pediatric developmental screenings; physical medicine and rehabilitation.

To learn more about the health fair, contact Anne M. Eckert, AuD, MBA, CCC/A at 732-321-7063.

Founded in 1974, The JFK Johnson Rehabilitation Institute is a major component of Solaris Health System, one of New Jersey's most comprehensive healthcare networks.

The JFK Johnson Rehabilitation Institute headquartered at the JFK Medical Center in Edison is a comprehensive rehabilitative service provider focused on educating the community on rehabilitative health and helping adults and children with disabilities reach optimal function and independence. The Institute offers a complete array of inpatient and outpatient programs and services in rehabilitative health, including stroke, orthopedics, prosthetic and orthotics, electrodiagnosis, fitness, cardiac, women's health, pain management, pediatrics, speech pathology and audiology, industrial and vocational rehab, and brain injury rehabilitation programs and services. JFK Johnson Rehabilitation Institute is accredited by the Commission on Accreditation of Rehabilitation Facilities (CARF) for its Comprehensive Inpatient Rehabilitation, Brain Injury, and Comprehensive Vocational Evaluation programs. For more information on The JFK Johnson Rehabilitation Institute, call 732-321-7790 or visit the organization online at <http://www.njrehab.org>.
